

IN THE MERCURY'S OPINION

By Russell Maguire

THE POLICE STATE

(Phony Civil Rights Bill—A Communist Plan to Put YOU in a Strait Jacket)

Red Russia, and her "captive slave nations" now comprise one-half of the world. All events confirm that the *real goal of Communism is to CENTRALIZE ALL POWER*. Our alleged "Civil Rights" Bill is later "planned" to give our "captive citizens" a choice between coming torture, slave labor, and mass murder, or *complete submission to Red dictatorship*. Neither would provide HUMAN OR CIVIL RIGHTS!

The infamous CIVIL RIGHTS ACT OF 1957 was introduced into Congress in Jan. 1957 by Congressman Emanuel Celler. His record speaks for itself. The Bill was passed on Sept. 9, 1957. Part III of this Act was *temporarily deleted* only after some Senators and Congressmen battled courageously against the whole vicious Act. The valiant speeches against this phony Civil Rights Act, jury trials, etc., will rival in history the patriotic words spoken by the God loving founders of these United States.

The Conspirators used heavy and tremendous pressure on all sides to put it over. They cunningly and cleverly misrepresented the Act as a "boon" for Negro voting rights.

This Civil Rights Act has already had impact on the court system of these U.S. In phraseology of Russian atheistic dictators, *it is under an appointed "Commissariat" of Commissioners and a distinct and separate Attorney General*. Under it YOU can be hauled in SOLELY on the trumped up charge made by the Commissariat that you had some "INTENT" to interfere with alleged Civil Rights. *Secret hearings, from which your attorney and witnesses could be barred, have been legalized*. The fining and imprisonment of anyone who dares to tell of anything said or done to you in these secret hearings has been legalized. *You can be convicted, fined and imprisoned without jury trial and right to appeal*. The Conspirators plan to get the new Congress to quickly reinstate Part III and would extend this evil power to all social relations.

The outstanding and intelligent Congressman, John Dowdy of Texas, a member of the House Judiciary Committee, said of the Civil Rights Act on June 14, 1957, (Congressional Record, Page 8139):

"When the Attorney General can haul a citizen into court, enjoin him because of what somebody THINKS he is THINKING, deprive him of his legal rights, CONVICT HIM WITHOUT DUE PROCESS, and subject him to criminal punishment

for an ALLEGED civil offense, we will have achieved the ultimate in absurdity and the HEIGHT OF TRAGEDY."

In defining Communism in reference to this Act, Congressman Dowdy quoted:

"Communism is not an economic system. It is a conspiratorial drive for tightly centralized government in the hands of godless gangsters. Communism must, as a prerequisite for success and its conquest, pull all powers of the government into one place—Washington, D.C." (Congressional Record, June 17, 1957, Page 8405). He also said that the Civil Rights Bill is a "provision to bypass the STATE COURTS."

The Civil Rights Act was set up to conform to the sinister United Nations' demand for carrying out the punishment of individuals for infringing such UN laws as the Genocide Convention. The UN book, "Everyman's United Nations" (pp 222, 316) describes how the UN Law Commission decided that until local UN Criminal courts can be established to enforce ALL LAW, such UN laws as the Genocide Convention might be enforced through some sort of NATIONAL LAW. This, of course, explains the Pharisees' fanatical backing of such a monstrous and infamous Civil Rights Act.

The tricky Genocide Convention was silently slipped over on us and became law Jan. 12, 1951. (See Page 880 Senate Doc. #87.) It is completely disregarded when it comes to the murder of millions of Christians in Russia, in Hungary, in Poland, etc. Also "they" disregard Genocide when it comes to the dispossessing and murder of Arabs, Moslems, Hindus, etc.

The dangerous un-American Civil Rights Act of 1957 is another great gain obtained by the Conspirators to further their diabolical plot to attain world government over a mongrelized-robot race. Part of The Plan is to use some of the fiendish principles of Mental Health. (Incidentally, the so-called MENTAL HEALTH BILL (HR 6376) provides a Siberia for Americans. In that Senate bill, when referring to the many who will be shipped to Alaska, they are not referred to as patients, but as PRISONERS!)

Thinking citizens must realize the tremendous danger of permitting a pressured Congress to approve Part III. The headlines of "The WORKER," official organ of the Communist Party printed in N.Y.C. for November 30, 1958 tell the story. It states that 50 organizations plan to descend on Congress Jan.

5, 1959 to pressure Congressmen. The Plan is to (1) End Congressional right to filibuster anti-American legislature, and (2) Quickly enact the rest of the CIVIL RIGHTS ACT OF 1957, (i.e., PART III, which was deleted when this Bill was misrepresented and passed on Sept. 9, 1957).

United States citizens MUST WAKE UP! Freedom of speech, press, assembly, jury trials, appeals, open hearings, etc., once lost, are nearly impossible to regain! Examples: Hungarian Revolt in 1956. The East German Revolt. Also the "Russian captives" themselves have found almost insurmountable obstacles

in their attempt to break the chains forged on them by the atheistic murderers. Our recognizing Red Russia in 1933 (when the people had the rulers on the run) will forever live as our greatest error. Treasonable people, in our country, have since financed and industrialized Red Russia!

SO WAKE UP! Expose and defeat the "ENEMY WITHIN!" If you don't, then remember what *Christ said when he found His disciples asleep for the third time*: "Sleep on now, and take your rest: It is enough, the hour is come; behold, the Son of man is betrayed into the HANDS OF SINNERS." (Mark: 14:41)

URGENTLY IMPORTANT

POISONING THESE UNITED STATES

✓ Mercury is *FOR* our Constitution, our Bill of Rights, and all those institutions which have made these United States great. Mercury stands militantly *FOR* the right of all peoples to worship peacefully, and to express themselves. We are *AGAINST* all *ANTI*-American and all *ANTI*-Christian printed material and propaganda. Especially since 1932, *these U.S. have been flooded* by organized *anti-Christian* and *anti-American* books, articles, movies, etc. All of it works to *destroy* our heritage. Hollywood, the theatre, radio and television have played unhealthy roles in daily pumping poison into the blood stream of these U.S. Many filing cabinets are filled with examples of it. Here are a few:

✓ Soviet Education Commissar Lunacharsky said:
"We hate *Christianity*, and *Christians*, even the best of them, must be regarded as our worst enemies. They preach love for one's neighbor and pity, which is contrary to our principles. Down with the love of one's neighbor; what we want is *hatred*. We must know how to *hate*, for only at this price can we conquer the world."

✓ Ben Hecht, a current T.V. celebrity, in his book, "A Jew in Love," Page 120, said:
"One of the finest things ever done by the mob was the Crucifixion of Christ. Intellectually it was a splendid gesture. But trust the mob to bungle. If I had been in charge of executing Christ, I'd have handled it differently. You see, what I'd have done was had Him shipped to Rome and fed to the lions. *They never could have made a Savior out of mincemeat.*"

✓ Hatred of Christianity is not a Russian characteristic. It is a characteristic of the "invaders." Soviet Prosecutor Krylenko remarked at the trial of a Christian Archbishop: "*I spit on your religion.*"

✓ In recent years, a well known New York magazine had on its cover the name of its lead article, "Is the Christian Religion Too Subversive for Africa?"

✓ In HR Bill 6376 (Mental Health), when referring to the many who will be shipped to Alaska, they are not referred to as patients but as *PRISONERS!*

✓ *The Police State!* Our alleged "Civil Rights Act" is "planned" to give our "*captive citizens*" a choice between coming torture, slave labor and mass murder, or *complete submission to Red dictatorship*. Neither would provide *HUMAN OR CIVIL RIGHTS!*

This CRA already has had an impact on our court system. *It is under an appointed "Commissariat" and a distinct and separate Attorney General.* Under it, *YOU* can be hauled in *SOLELY* on the trumped up charge made by the Commissariat that you had some "*INTENT*" to interfere with *alleged* Civil Rights. *Secret hearings, from which your attorney and witnesses could be barred, would be legalized. You can be convicted, fined and imprisoned without jury trial and right to appeal. Plan is to get the new Congress to quickly reinstate Part III which would also extend this evil power to all social relations.*

The CRA was set up to conform to *the sinister UN* demand for carrying out the punishment of individuals for infringing such UN laws as the Genocide Convention. (See item page 4.) (This is the anti-Christ system exactly.)

One of the great speeches made in Congress against the evil Civil Rights Act of 1957 was made by Congressman John Dowdy (from Texas and on the House Judiciary Committee). Congressman Dowdy saw that the Civil Rights Act was not as pretended, to defend the Negro mainly, but it was directed to end

all rights for EVERYONE. We quote Congressman Dowdy—"When the Attorney General can haul a citizen into court, enjoin him because of what somebody THINKS he is THINKING, deprive him of his legal rights, *convict him without due process*, and subject him to criminal punishment for an *alleged* civil offense, *we will have achieved* the ultimate in absurdity and the *height of tragedy*." (Congressional Record June 14, 1957, Page 8139). (You should read all of his superb address. In it he gives a definition that is a classic: "Communism is not an economic system. It is a conspiratorial drive for tightly centralized government in the hands of godless gangsters. Communism must, as a prerequisite for success and its conquest, pull all powers of the government into one place—Washington, D.C." On June 17, 1957, Congressional Record, Page 8405, Congressman Dowdy said, "The Civil Rights Bill was a provision to bypass the State courts.")

The Act became law September 9, 1957—the Emanuel Celler Bill. YOU had better quickly wake up!

✓ In 1930, the Church of England officially denounced the persecution of Christians in Russia. The Archbishop of Canterbury (Dr. Lang) declared:

"... it was almost unparalleled in the pitiful history of *religious persecution*" and that "the persecution has been accompanied by popular blasphemies and obscenities."

✓ Of Hollywood, Senator B. C. Clark asserted on the 10th day of September 1941 (3 months before "planned" Pearl Harbor), that *half a dozen men controlling the film industry were bent on inflaming the American people to clamour for war*.

The London Daily Express reported, 11th September, 1941, "Appearing before a Senate Committee investigating propaganda in films, he (Senator Clark) said the industry was turning out *dozens of pictures* to infect the minds of their audiences with *hatred* to arouse their emotions. America's 17,000 cinemas virtually constitute daily and nightly *mass meetings for war*," (with 82 million weekly attending).

(See PEARL HARBOR TREASON, Dec. 1958 Mercury, p. 113)

✓ In October 1941, two months BEFORE Pearl Harbor, Maurice Gomberg, a Philadelphia attorney, mysteriously issued a world map which shows the planned division of the world after the coming World War II. This map outlined every main action which has transpired up to date. It showed the occupancy of Germany and even showed the division between East and West Germany. It showed the occupation of Italy and Japan; Korea was to be taken by China; Formosa was marked for the United States. This map showed the existence of Israel. Israel was colored as it is now—plus Jordan. Remember, Israel was not pushed through the United Nations until 1948, or seven years later! Red Russia was colored on this map as absorbing the then indepen-

dent countries of Roumania, Poland, East Germany, Yugoslavia, Hungary, Finland and Estonia.

Unless this all was "planned", how can one explain a Philadelphia lawyer publishing a map two months before we got pushed into World War II? This map also spelled out world police, world government, nationalization of assets, and world money.

December 1958 Mercury, p. 114

✓ Senator William Langer (North Dakota) said in the U.S. Senate: "Mr. Morgenthau now stands convicted before the conscience of the world as the instigator of *systematic annihilation of the German-speaking peoples*. The record further proves, beyond any question of doubt, that these fanatical and reactionary *HIGH PRIESTS OF HATE AND VENGEANCE* will never be able to defend *THEIR CONSPIRACY* before the bar of human reason or human decency." (Congressional Record, April 18, 1946.)

✓ Mental Health is a racket of the Pharisees. Innocent people are railroaded to institutions. Psycho-political operators there remove opposition unhindered. Patriots are the victims.

The following, reportedly, is taken from the Library of Congress, which quotes the Daily Worker, May 26, 1928, page six: "The Communist Party considers it as its historic duty to unite all workers, regardless of their color, *against the common enemy, against the master class 'meaning the white race, of course.'* The negro race must understand that capitalism means racial oppression and Communism means social and racial equality."

✓ In the London Jewish Chronicle of Jan. 14, 1949 it stated: "The Anti-Defamation League's best results were obtained by *disguising anti-Semitism under the wider, all-embracing cloak of 'racial discrimination' as a whole.*"

✓ Fluorine is admittedly a cumulative poison, the effects of which may take 30 years or more to manifest themselves.

December 1956 Mercury, p. 129

✓ While Eleanor Roosevelt was in the White House, her 3 sons had 8 wives. Nevertheless, she bounces around the world telling everybody what to do. She has nothing but praise for Israel and Russia and, of course, criticism of these United States. In a baccalaureate speech at Brandeis University she said, "I can think of only one country which today contains the spirit which founded America, and that is *the State of Israel.*" (February 1957 Mercury, p. 102). She has been a racial trouble-maker.

✓ Informed people believe that fluoridation of drinking water is a criminal act.

Dr. E. H. Bromer

✓ \$10½ billion was spent on alcoholic beverages in 1956—equal to \$62.62 per person. We spent \$1.21 for liquor for every \$1.00 invested in our education. There are 50% more liquor stores than there are churches throughout these United States.

Dr. Sam Morris

✓ Senator Herman Talmadge (Georgia), in a speech in Richmond, Virginia, February 28th, said, as quoted from the August Courier for March 17th, 1958:

"The stacking of the Supreme Court to destroy the public school system has brought about and encouraged murder, rapes, riots, assaults, and suicides in the public schools of the nation. And as to the latter part, Talmadge said the people of Georgia and the people of Virginia have no thought of turning their children over to the Supreme Court for "psychological experimentation."

✓ After an exhaustive study of 11 history textbooks used throughout this country, a powerful book, "Brainwashing In Our High Schools" has been published. The minds of your children have been deliberately poisoned and left unprepared.

✓ In these United States, *there is a deliberate plan to poison the body, the mind, and the soul of mankind.*

✓ The public must not regard the reprinting of indisputable historic facts as controversial. *The salvation of humanity rests in the enlightenment of the world on certain suppressed subjects.* Our civilization itself is at stake.

✓ Mercury is AGAINST extending the mail facilities of this country to those who think and write "Poisoning These United States."

✓ Mercury is also AGAINST permitting aliens and others who are "Poisoning These United States" to come into our homes via the radio and television.

The radio and TV channels are rightly *the property of each and everyone of us.* But the Conspirators recognized early in the century that *their scheme* required that *they* attain control. The conspirators have been very cunning in gradually applying *their* monopoly. Now, no broadcasting is permitted except by the conspirators and their agents, on programs arranged, censored and rehearsed by them.

TARGET — YOU!

The greatest asset our enemies have is the American Public's ignorance of their strategy, tactics, objectives and operating methods in the U.S.A. Subversive propaganda is now taking over our entertainment, our educational system and our mass communication media. *REVERSING* this disastrous trend is the most vital problem we face today!

MERCURY WARNED YOU

✓ The "conspirators" were too clever to urge the U.S. to give 13.8 billions of gold to their international banker friends. So they got us to give their favored countries the money which they then deposited in our banks. Now they can convert the surplus money we gave them into our gold. That would leave us with the insufficient amount of only 8 billion of gold—out of over 28 billions that we formerly owned. (May, 1956, page 122) (Today the 8 has been reduced to only 5 and a fraction. Ed)

✓ The Rothschilds' interests "advise and guide" the Rockefeller interests. (See "De-Christianizing Christianity", October 1958 Mercury, p. 96)

✓ The anti-Christ forces are making progress to weaken and divide us. Their "Plan" has been to put us in a strait jacket, with the help of the U.N. (January, 1957, page 97.)

✓ The conspirators are mobilizing the Middle East, Asia and Africa against Western civilization for the overthrow of Christendom. (January, 1957, page 117.)

✓ The mothers in these United States have had their sons unnecessarily sacrificed in three wars of "international" intrigue. Aroused and informed women can keep us out of the war in the Middle East now being promoted. (September, 1957, page 142.)

✓ Colonel Edward Mandell House, whom researchers say was an agent of the Rothschilds, in 1912 wrote a book, "PHILIP DRU: Administrator." It was a blueprint in code of all the things that have happened in the following 44 years.

✓ Dr. Sidney A. Menzes, who was president of the College of the City of New York, saw the book in manuscript and wrote his brother-in-law, Colonel House, approving it. DRU is said to be *code for David Rex Universe.* (June, 1957, pages 10 and 11)

✓ Communism is not a Russian but an *international* movement. Moscow's current, superficially seeming "anti-Zionism" is considered by competent intelligence observers to be only a temporary maneuver for quickly wooing the Arab-Moslem peoples of the Middle East and North Africa. (July, 1959, page 134.)

✓ The United Nations ended the supremacy of the U. S. Constitution. Today, the sinister U. N. laws dominate.

October 1958 Mercury, p. 99

✓ If bombs are dropped on the U.S., over 90 per cent of our casualties will be from broken glass and splinters. Disregarding these facts all new buildings (except synagogues) continue to be built with enormous quantities of glass (July, 1958, page 32.)

✓ Senator Ralph Flanders has charged that Israel and its expansionist designs are the main cause of Arab fears and unrest in the Middle East. Unless Arab-Israel tension is relieved, Flanders said, "such a wave of anti-Semitism as the Jewish race has never known will sweep not only this country but the world." October, 1958, page 48. (The same warning that James W. Gerard made in 1934, if the Jews advanced Communism.)

✓ The *Editor* of the American Hebrew wrote on Nov. 18, 1932, Page 12, as follows:

"According to such information as the writer could secure while in Russia a few weeks ago, not one Jewish synagogue has been torn down, as have hundreds—perhaps thousands of the Greek Catholic Churches . . . In Moscow and other large cities one can see Christian churches in the process of destruction . . . the Government needs the location for a large building."

(This appeared in "Democracy and World Dominion," on Page 211, and in many other outstanding books.)

✓ All decisions made since 1948 have benefited Red Russia and Israel. Nov. 1958, p. 64.

✓ The graduated income tax is confiscation. Taxing citizens to give it to foreigners is unconstitutional!

✓ Fifty-four million people were killed in WW II.

✓ The Rockefeller Foundation contributed heavily to international Communism through the Institute of Pacific Relations. Congressman B. Carroll Reece, July 1957, p. 59.

✓ The conspirators' International Monetary Fund has complete sovereign powers. "They" can call in our currency and prescribe a new one. Nov. 1958, p. 121.

✓ "To show that Russia treats its Jews well, Soviet Premier Nikita Khrushchev this week remarked at a reception at the Polish Embassy that not only *he himself* and Soviet President Klementi Koroshilov, but also half the members of the Presidium, the governing body of Russia, *have Jewish wives*. Mr. Khrushchev made this remark to Israel Ambassador Joseph Avidar."

✓ Free copies of our July 1957 issue will be sent, upon request, to subscribers for distribution. In it are powerful articles including "Tax Exempt Subversion" by Congressman Reece. Also "Martial Plan" George Marshall. Available also are March 1957 and March 1958 issues.

✓ The tricky *Genocide Convention* was secretly slipped over on us and became law Jan. 12 1951. (See p. 880 Senate Doc. #87.) It is completely disregarded when it comes to the *murder of millions of Christians*.

✓ "The U. N. Charter is the machine gun that looks like a baby carriage."

Senator Wm. Jenner, October 1958, p. 104

✓ On Ben Hecht's T.V. programs, Oct. 22 and Nov 5, 1958, he spewed *bate and venom against all of the German people*. A prominent priest calls Ben Hecht "*Hate Monger # 1*." Hecht belches out the lying statement that the Germans killed 6 million Jews. Dozens of books prove that there never was more than about 1/2-million Jews in all of Germany. Senator Pat McCarran stated in Congress in 1950 that there were then 5 *MILLION PEOPLE ILLEGALLY IN THIS COUNTRY!* Are these part of the 6 million Hecht refers to? (Today there are 7 *MILLION PEOPLE ILLEGALLY IN THESE U. S.*)
